ST HILDA'S

Making a Bequest

As St Hilda's Collegiate School celebrates its 125th year, we are reminded of the courage and vision of Sister Geraldine and Sister Etheleen who bravely founded our school in 1896. Since then, generations of women have benefitted from a St Hilda's education and the legacy of the Sisters continues.

125

1896-2021

It is thanks to the generosity of our supporters over the decades that we enjoy our position today as a top girls' school with excellent facilities.

A gift to St Hilda's enables the school to build on its position as a school of choice by offering our students the best education, opportunities and facilities we can provide. Your generosity would support future generations of St Hilda's students to become the best they can be.

If you choose to make a bequest to St Hilda's in your will, the following wording is suggested. You can include this wording in your will when it is drafted, or you could include it in a codicil that supplements your will. An example follows:

"I give to St Hilda's Collegiate School (Charities Act registration number CC34519), free of duty and transfer charges and to be used by St Hilda's Collegiate School for its charitable purposes [INSERT DESCRIPTION OF YOUR GIFT - FOR EXAMPLE: "The sum of \$_____", or "___% of my estate", or "all of the residue of my estate". "or the following property or assets [insert description/ list..."]. A receipt issued by St Hilda's Collegiate School Incorporated shall be sufficient discharge to my trustees".

We understand that making a bequest is a big decision and we recommend discussing this with your family and your legal advisor before making a commitment.

Please contact the Director of Development, Amanda Burke, if you have any questions or wish to discuss your bequest - email aburke@shcs.school.nz or phone 0274771117.
